  - Other

*Jeff provided an update on all the projects that have been completed this summer and what is left to be completed.*

- **Technology Report (Mona)**
  - Summer 2013 Project Update

*Mona provided an update on all the projects that have been completed over the summer. In addition, she spoke about items that need to be completed before the start of school.*

- **Grounds Report (Larry)**
  - Baseball Field Discussion

*Jeff provided details to the committee on information that was received by a contractor concerning the pooling of water on the baseball field in certain areas. After discussion the committee asked Jeff to discuss with Larry about having our crew install tile in those areas and drain the ditch behind the baseball field. That project would need to be done in September. In addition, the committee has asked for a price on completely redoing the field.*
