

Good morning parents, this is Vaughn White, Superintendent of Hesperia Community Schools with a brief message.

I am calling with a reminder that our food distribution is today Tuesday, December 1, from 11:00 a.m. to 1:00 p.m. and will take place again on Thursday, December 3, from 11:00 a.m. to 1:00 p.m. Please pick up food at the high school office entrance and of course use social distancing when waiting in line.

I also want to update you on an opportunity for inside Wi-Fi access provided at Camp Tall Turf located on Campbell Lake. This camp, in cooperation with the Revive Church is willing to provide in-doors internet access to students in grades 5th – 12th on Mondays and Thursdays from 10:00 a.m. to 2:00 p.m. These times have been adjusted to better connect with the middle school and high school virtual classroom sessions. Students will have to bring their own devices and of course, they will have to wear masks and social distance. Enrollment will be limited for student health and safety. For more information and to register, please connect to their website at:

Thank you for your continued support and patience as we navigate this remote learning time.

Have a great day.
