

Dear Parents and the Hesperia Community,

I am writing with an update regarding the COVID 19 virus and what is known at this point regarding this ever-changing matter.

* Hesperia Community Schools will not be in session from Monday, March 16th through April 5th via the Governor's mandate.

* Hesperia Community Schools will have Spring Break from April 6th through April 12th unless mandated differently by the State. Students and staff would return on April 13th.

* There are to be no events, activities, or practices on the HCS premises during this time.

* Cleaning and disinfecting in the building will continue to occur during this period.

* We are reviewing food distribution options for students but it is too early to clarify if or when this will take place. In the meantime, if you have a critical food shortage, please contact the Hesperia Methodist Church at 854-5345 from 1 to 3 p.m. daily.

* It is yet too early to know anything regarding events scheduled in April.

This is such a difficult and challenging time for us. I know we all can work together to get through this as we are a strong community of giving, caring people. I will continue to communicate through Skylert with postings on Facebook and our webpage as new information is presented or clarifications need to be made.

Best Regards,

Vaughn White

Superintendent
